JCRAI 2022

Chengdu, China
June 10-12, 2022

Automating the Future
HKSRA

CALL FOR PAPER

2022 International Joint Conference on
Robotics and Artificial Intelligence

Topics

Agents and Multi-Agent Systems
Ant colony optimization
Human Computer Interaction
Space and underwater robots
Ambient Assisted Living
Smart Buildings and Cities
Big data analytics for security
Natural language processing
Support Vector Machines
Pattern Recognition
Data Science
...

Key dates

Abstract Submission: Feb. 22, 2022
Full Submission: Mar. 4, 2022
Author Notification: Mar. 22, 2022
Final Version: before Apr. 9, 2022
Registration: before Apr. 9, 2022

Submission

Submit your paper/abstract to us via the underlined online submission system.
